From the Desk of the First Selectman

The Town has taken on the glow of an early summer slightly warmer than normal, I am happy to be able to walk outside without wearing a jacket! Take time to enjoy a walk around the reservoir or on the sidewalks in the Baltic Village area. Not only is it nice to be outside walking is great exercise.

The budget was approved at referendum thank you for voting! The Town is planning to reconstruct 2 more roads (both Sunrise and Grandview) this would not be possible without your help.

We are almost done sweeping the streets cleaning up the remains of a long cold winter. We will be going immediately into roadside mowing, cleaning around guide rail and the centers of roadways. In addition we will be cleaning up cemeteries and the recreation fields.

If you have a free moment stop by the Little League field in Baltic and watch the kids playing ball. As always please keep an eye out for children and let them enjoy the outside activities and play safely.

If you are looking for an outside activity the Department of Energy and Environmental Protection has stocked local rivers and brooks, take the kids out for a day of fishing. Bring a picnic lunch and enjoy your Town!

As always thanks for your support!

First Selectman

Ride the Shetucket River

The Town of Sprague will resume the wildly popular Ride the Shetucket events for 2015. Once monthly during the warm weather season and depending on the natural water level of the river the Town of Sprague will provide a free shuttle between River Park and Scotland Dam. Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as you wish during that time frame. The ride is 4 miles long and takes approximately 2 hours.

Dates for 2015 are: June 27th, July 25th, August 29th, September 26th, and October 10th.

Since Ride the Shetucket is dependent on the natural water level, check the Town website prior to the event for any cancellation postings. Paddlers need to have PFD's and a distress whistle. www.ctsprague.org

Friends of the Shetucket River Valley

The Friends of the Shetucket River Valley (FoSRV), is currently assisting efforts by the Town of Sprague to acquire ownership of 111 acres of forested upland known as the Robinson Property. This parcel abuts the existing Sprague Land Preserve, which in turn borders the Shetucket River.

The Robinson Property is a mixture of evergreens and deciduous hardwoods, with fern and berry covered hillsides. It complements the existing Preserve, and supplements the ecological value within this region by increasing the size of protected land with the Shetucket River Valley watershed.

The Town of Sprague is currently in the process of submitting an application to the Connecticut Department of Energy and Environmental Protection for an Open Space and Watershed Land Acquisition Grant. The award from this grant is based upon a percentage of the appraised value of the property and will help to defray its \$289,000 purchase price. The remainder of this money must be raised through private contributions and other available funding sources.

Working with the Sprague Conservation Commission, FoSRV will play a major role in helping to raise the money required to complete this acquisition. FoSRV urgently needs your assistance with this critically important effort. Please consider becoming a member and contribute toward reaching our goal. *No donation is too small.*

A Peek into Sayles Preschool

The Sayles preschoolers are experiencing learning in a whole new way this spring. Last April we invited family members in to enjoy a special Spring themed snack with their children. We enjoyed cooking pancakes and having a delicious and healthy pot luck lunch. We are glad that so many family members could join us for this spring celebration! After our snack, the preschoolers and their families were able to participate in different educational activities. In one activity, preschoolers and parents were able to paint beautiful butterfly pictures together. In a different activity parents and their children were able to make boats out of aluminum foil. They then tried to see how many animals they could hold in these boats before they sank. The preschoolers used problem solving skills in this activity, as they tried to figure out how to make their boats more efficient. Preschool families created musical instruments with paper towel rolls, elastic bands, and beans, and decorated them with paint and sparkle confetti. It was a great day for preschoolers to show their families some of the activities that the preschoolers are engaged in on a daily basis.

For the next few weeks we will be learning about farms. Preschoolers will be exposed to the different animals and things that happen on a farm. We cannot wait to begin this unit, but we need your help! If you have any large boxes such as refrigerator boxes please contact Carol Turban at Sayles School at 860-822-8264. Thank you in advance for your help.

The Salvation Army Upper New London County Service Unit Dennison Allen Town of Sprague Representative

DOING THE MOST GOOD

Spring has felt great. Yet there are still some who need help with oil or bills from Eversource [CL&P].

I want to thank all who have donated to the Salvation Army by donated checks to the Upper New London County Service Unit and sending them to, 34 Riverside Dr., Baltic, CT 06330 during the past year. I would ask you to give as little or much as you can and you will be blessed as well as those we can help. More help is always needed. Think of it as having a garden with only a tomato plant in a box on your deck, those few tomatoes don't go very far.

There is food that is available at the Sprague Community Center 18 West Main St. Baltic. To get food you will need to bring ID and bags and sign in at 1 pm, food distribution starts at 3pm. This happens on each Friday.

There is a Food Pantry at the Town Hall call 860-822-3000 ext 223 or 220. There is a need for any food you can bring in to supplement the food the Boy Scout's had gotten donated.

Thank you for all of your help.
