From the Desk of the First Selectman

With a couple of soggy and chilly exceptions, May's been a beautiful month, especially here in Sprague.

As this issue of the *Our Town* goes to press we're all eagerly awaiting Memorial Day and our always well-attended town events, including the parade, the ceremony at the Veteran's Memorial Park and the post-parade festivities hosted by the Fire Department. The town crew has been working very hard to get downtown Baltic and the cemeteries and greens in Versailles and Hanover looking their best.

This year the budget referendum will be on June 14 for voting on the proposed budget presented at the Budget Hearing held on May 19 and will be discussed further on the June 6th Annual Town Meeting. PLEASE REMEMBER TO VOTE ON JUNE 14.

Since spring has sprung, road maintenance has taken on a life of its own. We're in the process of finishing up on our sweeping program - by the time you get this, Baltic, Versailles and most of Hanover should be completed. We have also started our roadside mowing program which will continue until the snow falls again! In addition most of the potholes have been addressed - if we have missed 1 or 2 of them, please let either Mark Benson or myself know.

We are still accepting donations to offset costs for the new Memorial Plaque which was dedicated on Memorial Day. I was honored to serve this country as a sergeant in the US Army. I was equally honored to help with the rededication of the Veterans' Memorial Park here in Sprague this year.

The library still has a few cookbooks for sale @ \$15. They are a steal! This well organized and beautiful book is an asset for any kitchen!

Not to be outdone, the quilt set to be raffled off on July 31st is available for viewing in the Town Clerk's office. The raffle tickets are available at J&D Embroidering, the library, the senior center and town clerk's office.

Further Sprague Rod & Gun Club is hosting a Chicken BarBQ on June 25th. This will help to support the actions of the 150th anniversary committee and the events surrounding our long anticipated 4 day jubilation. The Chicken BarBQ costs \$12. See you all there.

The word of the month is *redolent* - take a walk outside and enjoy the redolent fragrances of the outdoors!

American Legion Post 85 Minutes from 5/3/11 Meeting

(Note: Minutes have been slightly shortened by Editor. For complete minutes, go to www.post85.webs.com.)

Commander Dave Salemma opened the meeting at 7:25 p.m. Financial Officer Tom Coletti took the roll call and noted that there were 11 of the 46 members in attendance. He noted to the Commander that an official quorum was present to carry on Post business. The Commander led the Pledge of Allegiance and the salute to the Colors. The Chaplain said a prayer and a moment of silence were observed for the recent casualties in Afghanistan.

The Commander then asked that the minutes of the April meeting be read by the Financial Officer. The minutes were accepted as read by the membership in attendance. The Financial Officer also noted that there were no member applications that were in process since the last Post meeting on April 5th.

The floor was opened up the floor to official business. The Commander noted that he had received the seven rifle slings that he had ordered. Despite the back order of the slings, the Commander informed the Post that the rifles will be in excellent condition for the Memorial Day Observance. Legionnaire Cathy Osten provided the brochure for the new gun cabinet that had been purchased for the WW I Springfield rifles that have been restored. The Commander noted that all the rifles, blank ammunition, cleaning kits and miscellaneous items related to the rifles will be placed in the gun cabinet. A procedure will be developed in which the rifles will be checked quarterly by the Commander or Sergeant-at-Arms. The Selectman, Town Facilities Manager, Resident State Trooper, Commander and Sergeant-at-Arms will possess the combination to the gun cabinet which will be stored in the Resident State Policeman's office.

The next order of business was to plan the flag replacement on the veteran's graves of the three Town cemeteries. The Commander and Chaplain volunteered to meet at 10 o'clock on Thursday, May 26th to place flags on the veteran's graves at the Pot Ash Hill Cemetery and the Lovett Cemetery. Legionnaire Lin Lamb also volunteered to assist them. Tom Coletti volunteered to head the 3 o'clock meeting at St. Mary's Cemetery in Baltic. Legionnaires Tim Brodeur and Cathy Osten volunteered to assist. The American Flags were supplied by the Town Administration. The Post appreciates the Administration's support in this honorable task.

The topic of the Memorial Day Parade Post preparations was discussed next. A seven man firing squad was organized with Junior vice Commander Tim Brodeur as the committee chairman. Tim will be coordinating the Post color guard during the parade. Presently, Legionnaires Joe Osowski, John Sewart, Chris Mueller and Tim Brodeur volunteered to carry flags. Tom Coletti, Dave Salemma, Brian Kalinowski are three of the seven Legionnaire required to complete the firing squad. The Commander stated that he felt more members would be volunteering and that he would be making phone calls to those members that fired rifles last year but were not present at the meeting. A squad drill has been planned for May 15th at 1 o'clock at the Commander's home on Plain Hill.

The Commander asked if there was any unfinished business. Tom Coletti reported that the 150th Anniversary Plaque had been finalized, ordered and completed. He reported that he had received a shipping notice that the plaque was in route to the Town Hall. Cathy Osten reported that the monument was approximately 80% completed to accept the plaque. She stated that some point up work was still required on the stone, the sidewalk would be leveled and that the plaques would be cleaned before Memorial Day. Tim Brodeur informed the Post that State Representative Chris Coutu had called to say that he was approaching the 'American Warriors' for a suggested donation towards the 150th Anniversary Plaque. The Warriors are a non-profit organization that has support transporting WW II veterans to Washington, D.C. The Post is very grateful for Chris's suggestion and hopefully obtaining a donation. A check from the Legion for \$250.00 to help the fray the Town's cost for the Plaque and monument restoration was presented by the Commander.

Tom Coletti brought up the need for the Post to nominate a new slate of officers to be presented to the American Legion Department of Connecticut prior to July. All Post positions were open for nominations. Please see website for details of each open position.

The Commander informed the Post that he will be in contact with the Sprague Rod and Gun Club over the summer to discuss holding Post meetings commencing in September 2011. More on this will be discussed at the June meeting.

With no other business to be brought up, the Commander informed the members that the next meeting date will be held Tuesday, June 7th, 2011 at 7:00 p.m. at the Senior Center. All veterans are encouraged to attend. The Commander closed the meeting at 8:35 p.m.

Respectfully submitted,
Tom Coletti
Adjutant

Sprague Garden Club

Our annual plant sale was a great success! We thank First Selectman, Cathy Osten, and the Town Crew for all they did to make the garage available. Thank you also to everyone who came to the sale!

June marks the end of our garden club year. We will not have a meeting on June 1, but instead, will meet for a picnic at a member's home later in the month.

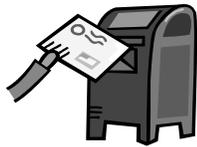

Our new year will begin in September; in the meantime our summer will be busy caring for gardens, the planters located around town, and visiting private gardens.

If you would like more information on the Sprague Garden Club, please call me at 860-822-6520.

We are looking forward to the 150th Anniversary Celebration planned for July 30 & 31 and plan to participate with a fun activity for children!

Have a great summer and enjoy all the activities and places of recreation our Commissions and Committees have worked hard to provide for us!

Goin'Postal June 2011

Hello Sprague! Another month, and more stamps coming up – they're springing up faster than the flowers this year! The Garden of Love stamps will be out May 19, before this issue makes it to your door and features flower designs made from different color hearts. Racing right in behind it on May 20th, is the Indianapolis 500 stamp with a bright yellow car doin' laps on your letters. To open June releases, American Scientists and Mark Twain stamps will open the summer in mid-June. The 2011 Stamp has something for everyone – c'mon in and check them out ☺

Haven't heard from anyone on the pictorial postmarks for Sprague's 150th yet, and since writing last month's article, I found out that the approval process, once the submissions are received is about two months. Seeing the events for the celebration are scheduled for the last week in July, we don't have the lead time we need to proceed with this contest. I wish there had been more interest, but some windows close before we can take advantage of them. I will look into future possibilities for this memorabilia opportunity. ☺

In other postal news, all three Post Offices have open PO Boxes available to rent, in three or four different sizes (depending on the office) starting from \$42.00 per year. If you've had trouble with baseball-batitis, mail disappearitis, we have the solution for what ails you! Boxes are available for as little as 6 months and offer the security you need for your important correspondence and time sensitive documents. Are you planning a vacation in the next few months? No need to worry about getting back too soon to get your accumulating mail. With your mail under lock and key or combination, your mail is held for you, no matter how much builds up in a tamper-proof, secure and dry location in your local Post Office under our watchful care. If your work hours keep you away from town until after 5, no problem! Stop by the Hanover Post office and rent one of our outside boxes – 24-hour, key access boxes are available near our loading dock. They are \$56.00 per year (only .15 cents a day!) and keep your mail available to you whenever you need it, even when we are closed. There are only 9 left so hurry down. Remember, we deliver Quality, Convenience and Service just for you! See you soon!

Tracy Medling,
Hanover Postmaster

Grilling Safety

There's nothing like outdoor grilling. It's one of the most popular ways to cook food. But, a grill placed too close to anything that can burn is a fire hazard. They can be very hot, causing burn injuries. Follow these simple tips and you will be on the way to safe grilling.

SAFETY TIPS

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from the home, deck railings and out from under leaves and overhanging branches.
- Keep children and pets away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.

CHARCOAL GRILLS

- There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- Keep charcoal fluid out of the reach of children and away from heat sources.
- There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- When you are finished grilling, let the coals completely cool before disposing in a metal container.

PROPANE GRILLS

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy bubble test, and there is no flame, turn off the gas tank and grill. If the leak stops, get the grill serviced by a professional before using it again.

If the leak does not stop, call the fire department. If you smell gas while cooking, immediately get away from the grill and call the fire department. Do not move the grill.

In 2004-2008, U.S. fire departments responded to an average of 7,700 home fires involving grills, hibachis or barbecues per year, including an average of 3,200 structure fires and 4,500 outside fires. These 7,700 fires caused an annual average of 13 civilian deaths (to the nearest ten), 120 civilian injuries and \$70 million in direct property damage.

- Gas grills were involved in an average of 6,200 home fires, and charcoal or other solid-fueled grills were involved in 1,300 home fires.
- More than one-quarter (29%) of the home structure fires involving grills started on a courtyard, terrace or patio, 28% started on an exterior balcony or open porch, and 7% started in the kitchen.
- Flammable or combustible gas or liquid was the item first ignited in half of home outdoor grill fires. In 49% of the home outdoor fires in which grills were involved, 56% of the outside gas grills, and 39% of gas grill structure fires, the fire started when a flammable or combustible gas or liquid caught fire.
