

**Sprague Agriculture Commission
Regular Monthly Meeting Minutes
June 9, 2014**

Members present: Catherine Osten, Stuart Woronecki, Gerry Lachance, Ron Deslandes, Armand Glaude

1. Call to order - 7:00

2. Reading and Discussion of Minutes

Motion to approve minutes of April 14, 2014 by Gerry Lachance, seconded by Ron Deslandes. Unanimously approved.

3. Community Gardens and Chickens

Cathy - plants will be given out this week or next. Students chose many different varieties of plants. There was good feedback from last year's students in letter form. Seedlings have been ordered from Agway.

Enough material for six additional community gardens has been purchased. All three existing beds are being used. The six additional will be added to the existing community garden.

Some students have requested chickens. They will only be given to students whose families agree to the commitment. Started pullets will be provided rather than chicks.

4. Old business

Sign project:

Gerry - there is an agricultural signage guideline by DOT. These are only available for farms on state roads.

Possible requirements for recognizing farms: Recognized as a farm by state, minimum sales per year?

5. New business – none.

6. Public comments – none.

7. Adjournment

Motion to adjourn by Armand Glaude, second by Ron Deslandes. Meeting adjourned at 7:45.

Respectfully submitted,
Stuart Woronecki
